

MAY NEWSLETTER

THANK YOU - THANK YOU - THANK YOU

Thanks to those who donated during Kitsap Great Give on April 23.

Thanks to you we received almost \$4,000 and we are so grateful. Just so you know what this money will be used for, here are the plans. We will be doing maintenance on the engine, installing the exhaust system and the fuel system. All of this is to make the floating classroom able to move. One step closer to getting those grade school kids on board for a hands on experience.

PROGRESS - PROGRESS - PROGRESS

Our volunteer team has been hard at work on the interior of the schooner. The sole (floor) of the chart room is complete and the sole of the main cabin is installed and awaiting a new coat of finish lacquer. Bunks have been going in and a plan has been developed for the galley. Here is volunteer Walt Crinean showing the starboard bunk in the chart room. He is demonstrating the removable tops so the underneath can be used for storage or other items needed for operation of the schooner. If you are interested in helping with any of this work, be sure to contact us at 360-633-7421 or on our website kitsapmaritime.org. You can also email us at kitsapmaritimevol@gmail.com
